

GOLDENS WITHOUT BORDERS FOSTER AND ADOPTION AGREEMENT

While every effort is made to provide as much information as possible to the Foster Home/Adoption Home concerning this dog, GWB does not warrant a dog regarding medical status or behavior. Many of our dogs come from animal shelters or impound facilities. We may have no history of their past circumstances. We assume no liability for unknown historical information about any dog. We try to pass on any information known to us. We assume no liability for information given to us by a former owner or caretaker. We have clear title to the dogs we place, either through shelters or by relinquishment from a previous owner.

You agree to indemnify and hold us harmless for any occurrence known or unknown, anticipated or unanticipated, relating to any dog you Foster or Adopt from us, its behavior, care, keeping or maintenance. You understand that dogs may carry diseases and parasites that may be transmissible to humans and other animals, and hold GWB and its representatives harmless. You agree that GWB shall not be responsible for any costs or expenses incurred by the Foster or Adopting family resulting from but not limited to, damage or injury to persons or property by the dog. The Foster or Adopting family releases, indemnifies and holds GWB harmless from any and all liability and any cause directly or indirectly relating to this placement. From the time of adoption, you are the animal’s owner and solely responsible for its behavior.

The Foster and/or Adopting Home will provide food, water, shelter, exercise and a healthy and safe living environment for the dog. The Foster Home will transport the foster dog to the veterinary facility used by GWB, at their request, for the continuation of any medical treatment. GWB will be responsible for payment of veterinary fees for this approved treatment, including medication. GWB will not be responsible for any medical bills incurred after adoption.

If, at any time in the dog’s life you can no longer keep the dog for any reason, you must return the dog to us. We will refund your adoption fee of \$500 in full if you return this dog within 14 days of adoption. After that, you are no longer entitled to a refund.
